TUNE - "THE ANIMALS WENT IN TWO BY TWO".

Equality we mean to win,
Hurrah, hurrah,
The work at once we must begin,
Hurrah, hurrah,
Equality we mean to win, the work at once we must begin,
So pull long and pull strong,
Till victory is ours.

The value of our work is high,
Hurrah, hurrah,
Then why do men its worth deny?
Hurrah, hurrah.
The value of our work is high,
Then why do men its worth deny,
So pull long and pull strong,
Till victory is ours.

The vote we have and mean to use,
Hurrah, hurrah,
No time or chance we now must lose,
Hurrah, hurrah,
The vote we have and mean to use,
No time or chance we now must lose,
So pull long, and pull strong,
Till victory is ours.

The value of our work is high,
Hurrah, hurrah,
Then why do men like waste destroy?
Hurrah, hurrah.
The value of our work is high,
Then why do men like waste destroy,
So pull long and pull strong,
Till victory is ours.

The vote we have and mean to use,
Hurrah, hurrah,
No time or chance we now must lose,
Hurrah, hurrah,

No time or chance we now must lose,
So pull long, and pull strong,
Till victory is ours.
